Curriculum focus for EYPP spending
<p>Our priorities for supporting children with EYPP for this year are:</p> <ul style="list-style-type: none"> ✓ To develop children’s speech and language skills ✓ To develop children’s Personal, Social and Emotional Development ✓ To support emotional well being for children with high level of need ✓ To support parents to help their child’s learning at home ✓ To support levels of school readiness, particularly in reading and PSED ✓ To support PSED and Communication and Language through lunch club places ✓ To increase attendance to enhance progress

Monitoring of EYPP spending
<p>School governors and senior leader monitor use of EYPP funding by:</p> <ul style="list-style-type: none"> ✓ EYPP Governor audit and head’s report to full governors ✓ WellComm screening baseline and review to measure progress in speech and language ✓ Termly Leuven’s assessment to evaluate progress in PSED for EYPP and all children ✓ Governor visit to monitor impact of nurture group on emotional well being ✓ Feedback from all parents about helping their child’s learning at home ✓ Termly analysis of EYPP progress across all areas of learning and development

Nature of actual support	
WellComm screening and group/ individual interventions	Employ support staff to carry out screening and intervention
Forest school sessions once a week	Employ 2 staff to lead forest school sessions
Nurture group for 3 afternoons per week	Early years practitioner & teaching assistant to provide nurture group 3 times per week
Resources to support development of PSED and reading	Reading resources to take home for parent/ child New school library
Home learning packs	Preparation and monitoring of home learning packs during lockdown Bespoke packs for identified families
Lunch club offer	Free lunches provided during lockdown

Impact of Interventions	
INTERVENTION	IMPACT
WellComm speech and language	All children screened; appropriate support in place for children needing speech & language input
Forest School provision	Children benefit from outdoor sessions and gain self confidence. Impact on PSED shown.
Nurture Group provision	6 children benefit from group and show increased emotional awareness.
Resource packs for learning at home - reading and PSED	Packs distributed to children for use at home Free book bags and gift books for children increased interest in books and reading at home
Lunch club offer	Good attendance. Children's social and emotional well-being is supported. Support for parent well-being.
Staff training: <ul style="list-style-type: none"> ✓ Nurture group leader and assistant ✓ PSED - Neuroscience online training ✓ Mindfulness training 	Whole school approach to values and PSED refreshed Nurture principles being embedded

Impact of EYPP spending on EYPP and all children:
<ul style="list-style-type: none"> ✓ Children's speech and language skills are being well supported ✓ Attendance improving for children when key worker provides bespoke support for parents ✓ Children in nurture group have settled well and are calmer ✓ EYPP children accessing lunch club have made greater progress than expected
