

Ludwick Core Books Skills progression across the year

Here are the core books that we read at Ludwick. We introduce different books each term. We also have interactive displays for these books in the classroom to help the children to learn the story.

Re-reading these stories helps the children to join with actions, sounds, familiar words and phrases. As the children become more confident, they will begin to fill in missing words or phrases.

Treetops Core books	Term	Other curriculum links	Key skills focus – Enjoys sharing a book with an adult	
Dear Zoo  Rod Campbell	Autumn	UW- animal names	<i>Skills 1 to 4</i> Begins to join in with actions and sounds in a familiar book
