Ludwick Nursery School is committed to:

Safeguarding and promoting the welfare of children and young people and expects all staff, visitors and volunteers to share this commitment.

Eliminating discrimination, advancing equality of opportunity and fostering good relations between different groups. These factors were considered in the formation and review of this policy and will be adhered to in its implementation and application across the whole school community.

Promoting the fundamental British Values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs: any school member or visitor expressing opinions contrary to fundamental British Values, including “extremist” views, will be actively challenged.

## Purpose

We believe that the governing body plays a key role in the success of the school. Individual governors should not be deterred from playing their full part because of incidental costs.

The Education (Governors Allowances) Regulations 1999 allow maintained schools to extend their schemes for paying governors' expenses from the school's delegated budget. At the full governing body meeting held on 13<sup>th</sup> October 2022, it was agreed that the sum of £300.00 would be set aside for governors' expenses and could be claimed from September 2022 until September 2024 when the policy will be reviewed. There will be a limit on individual governor claims of up to £60 per governor per year. If any governor feels that they have a genuine need this should not stop them from applying to the governing body for support. This should be brought up in the normal way, by applying to the Chair before the meeting, and a note placed on the agenda one week before the meeting. This application may need to be discussed in the confidential section of the meeting. These funds will be set aside to be specifically used as follows;

- car travel at **0.45** pence per mile
- other travel with production of receipts
- governors training which is over and above the normal training package that Ludwick Nursery School purchase through Hertfordshire Services e.g. Cluster training, Safer Recruitment, etc.
- *Other reasonable expenses agreed in advance by the Headteacher, the Chair and Vice Chair; or at a meeting of the Full Governing Body. These expenses may include the following;*
  - childcare or babysitting (other than done by a resident and responsible person at the home address) at a rate of £5 per hour
  - care arrangements for a dependent (as above) at a rate of £5 per hour
  - support for governors with special educational needs (e.g. audio equipment)
  - support for governors whose first language is not English (e.g. translations)
  - telephone charges, photocopying, stationery, etc.
  - contribution to meals up to £5 per person per day.
  - Mileage payment to governors not from our school, but supporting our school through panels or other.

Claims should be submitted to the clerk to the governors who will check and authorise claims for £10 or less. Claims for more than £10 will be checked by the clerk and authorised for payment by the Headteacher and Chair of Governors.

All claims must be accounted by completing the form Appendix One and any relevant receipts.

**Relationship to other policies**

This policy is linked to the general role of governors and their link role, and any claims made against this policy should demonstrate that relevance. No-one should feel excluded from becoming a governor, or feel unable to function appropriately because of possible difficulties as listed above. This is linked to the schools equality policy and plan.

**Arrangements for monitoring and evaluation**

The governing body will monitor and evaluate the impact of the policy annually with reference to the attendance records of governors at meetings and to the total sum paid out.
