Thursday 14<sup>th</sup> January 2021

Dear Parents and Carers,

Since writing to you on Friday 8<sup>th</sup> January, we have unfortunately had some positive cases of coronavirus amongst our staff. These cases have been contained within one bubble, (with the exception of myself) which is positive as it shows our bubble system is working, and I'm thankful to say the staff are starting to feel better. Due to this and following guidance from public health, the school was closed on Monday and Tuesday this week and thoroughly deep cleaned. School has re-opened now, for priority children, with just Sunshine room closed due to the staff team self-isolating.

We are now looking towards next week, and our plans to re-open more fully. Thank you to those of you who have answered our parent surveys. Based on these responses we now have a clear idea of numbers in school and we can now plan accordingly. If you have requested for your child to return to school, you will receive a letter by the end of the week, detailing session times and arrangements.

Children who are remaining at home, will continue to be supported by remote learning. It has been lovely to hear the positive feedback you have been sending to your keyworkers and we are pleased to hear you are enjoying the videos and activities. Please do let us know if there is any more we can do, this way of working is a learning curve for us all.

These are certainly challenging times, but there is definitely hope on the horizon. I know all of the staff team feel lucky to be part of such a wonderful community and we thank you for your continued support and patience during these difficult times.

Kind regards,

Helen Ackerman  
Head teacher
