

Dear Parents/Carers,

We have had a busy start to the summer term. Winnie the dog has been enjoying coming into school regularly and getting to know the children. The hatching of the ducklings was a learning highlight recently, which provided lots of fascination and conversation amongst the children. Over the past two weeks we have started to learn about the Queen and the Jubilee. The classrooms are full of wonderful displays. We have written a letter to the Queen and shared some children's drawings with her. We hope to get a letter back! We will be holding our school Jubilee celebrations after half term and details of this are in this newsletter. After half term, we will be busy with transitions and supporting the children who will be moving onto new settings for September.

As always, please do not hesitate to contact me if you need anything.

Safeguarding

You will have noticed that there is a new barrier for our shared car park with Holwell School.

Please do not walk under the barrier and into the car park to access nursery. There are moving vehicles at all times of the day and this is not safe.

Please enter and exit Ludwick through the green metal gate and up the path.

Thank you

Parent Workshops

This half term we have offered a range of parent workshops which have been really well attended. The workshops on offer have been: Reading, Starting School, Outdoor learning and Positive Behaviour. It

has been wonderful to provide face to face workshops again. We would welcome any feedback from the workshops as we are always keen to hear your views. Please see dates on the back of this newsletter for workshops taking place after half term.
