

Dear Parents/Carers,

It feels like the Summer Term is rushing by. Over the last two weeks we've had lots of duckling excitement as the children have watched the duck eggs hatch. This half term we have had a growing focus, and we have been busy planting in the garden and setting up beds for vegetable growing. We have also enjoyed trips out in the local area.

As the weather is getting warmer, please remember to send your child in with a named sun hat and apply sun cream before they come to nursery. After half term, we will be busy with visitors from our primary schools, as we prepare for lots of our children to move onto reception. Wishing you all a safe, happy and relaxing half term.

Helen Ackerman Head teacher

Parent Workshops

Each year we hold parent workshops for parents with children transitioning to primary school. These are a great way to share ideas about how to prepare your child for starting school and to also share some top tips and answer any questions.

Workshops will be held on:

Tuesday 20th and Wednesday 21st June at 9am. All parents are invited to attend one of these sessions. Please email admin@ludwick.herts.sch.uk to book your place.

Celebrations

Thank you so much for the generous cake donations for our Coronation Celebration.

Each group enjoyed a tea party to celebrate the Coronation of King Charles III.

The children enjoyed an ice cream to celebrate the memory of a beloved member of the Singh Smith family. On behalf of the whole school community we wish to thank the Sing Smith family for this kind and generous treat.

Cooking at Ludwick

As you know we love to cook at Ludwick! We are delighted that our cooking approach is being celebrated in different ways. After half term, we have The Froebel Trust, coming to make a cooking film with us which will showcase cookery in the early years. We are also delighted that we have been shortlisted for the Jamie Oliver Good School Food award.

Winners will be announced at the end of June so we will keep you posted! On Friday, we will be sending home our Let's Cook Together home learning, which is a chance for you or someone in your family to try out one of our recipes with your child. We would love to see your photos of enjoying cooking together.

Every child who participates will receive a prize!

Donations

We are very grateful for snack donations, which pay for vegetables, fruit and food for our snack table as well as ingredients for cooking.

If you feel able to make a contribution this would be greatly appreciated as our fund account is running a little low!

This can be paid termly (£28) or half termly (£14). We would prefer this payment to be made electronically through the school bank account please, details are: Sort code: 20-17-19 Account number: 33888401. Please use your child's name as a reference. If you prefer to pay cash, please put in a named envelope and give it your child's keyworker or the school office

We also welcome donations of any of the following: flour, sugar, cream crackers, toilet rolls, kitchen roll and compost bags for kitchen waste.

Many thanks for your support.
