Primary School Admissions

Is your child starting School in September 2027?

If your child is due to start Reception in September 2027, applications for primary school places in Hertfordshire open on 2nd November 2026.

Primary schools will be holding tours and open days. We highly recommend that you visit the schools before completing your application. Please look at school websites or contact the schools for dates and times. You are able to name 4 Primary Schools on your application in order of preference. We recommend you choose schools close to where you live.

The deadline for admission applications is 15th January 2027.

Allocation day for Primary School places will be 16th April 2027 and you will be notified via email to log into the portal to see which school your child has been allocated.

Once you have created your login - you need to make sure keep your login details safe.

For children who stayed at Ludwick this year as a summer born delay - please make sure you reapply following this guidance.

Applying for a Primary School Place for a child with SEND

If your child has Special Educational Needs and/or Disabilities (SEND), you will need to apply in the same way. We encourage you to talk to the feeder schools about their SEND provision and look at the SEND section of the school website.

If your child has a Final EHCP, their admission will be managed through the SEN Team and your EHC Coordinator and you do not apply through the Primary School Application route. If your child is currently in the process of an Education, Health and Care Needs assessment but has not yet received a Draft/Final EHCP, you will need to apply via Primary Schools Admissions.

For any help with your application - please ask us in the office.
